

MISSION STATEMENT

It is our mission to provide the Marshall County Community of older adults the opportunity to experience personal fulfillment and dignity by providing quality services which allows for their continued independence and mobility.

VISION STATEMENT

Our vision is to support the rights and privileges of the older adult by providing a comfortable environment in which to enhance their lives through social participation and community involvement along with the choice of varied educational and health related activities.

CORE VALUES

DIGNITY

We believe in the inherent dignity of all people - that they are important, have equal rights, and must have equal opportunities.

INTEGRITY

We work diligently to always be honest & accountable, to earn the trust of all that we serve, and be responsible both socially and financially with the resources entrusted to us.

COMPASSION

We strive to be generous, caring, and kind to everyone we encounter, always assuming good intent, while remaining committed to protecting the safety and health of our employees, clients and community members.

INNOVATION

We strive for continuous improvement and encourage thoughtful, creative ideas as well as a spirit of collaboration that will improve the quality of life for our community.

IMPACT

We aim to make a positive difference in the world by serving those in need, promoting health and well-being, and empowering people and communities.
